

Little People's Preschool- St. Angela

302 Russell Road, Saskatoon Saskatchewan S7K 6P2

Little People's Preschool
explore.imagine.create.

Mission Statement

The mission of this preschool program is to provide an environment of patient encouragement where children are free to learn and grow through play and exploration, thereby equipping them with the necessary social and educational skills required to ease their transition into kindergarten.

U-Pick Program & Fee's

One to five day morning and afternoon programs commencing at 9:00am/12:45 pm, with dismissal at 11:30am/ 3:20 pm.

Registration Fee:

The registration is a \$40.00 annual, non-refundable fee and ensures your child a spot at Little People's Preschool.

All Tuition Fees are annually based and may be financed over ten equal monthly payments.

Tuition Fees:

One Day Program	\$55.00/Month
Two Day Program	\$95.00/Month
Three Day Program	\$125.00/Month
Four Day Program	\$150.00/Month
Five Day Program	\$175.00/Month

If you choose the monthly payment please provide ten postdated cheques with your registration fee. For any cash payments we require payment for at least two months in advance.

Tuition subsidies requests are available from the teacher or contact Saskatoon Preschool Foundation email:spf@spsd.sk.ca.

Volunteers

Because Little People's Preschool is **Non-Cooperative**, you as parents are in no way obligated to participate in the activities we partake in and are **NOT** required to fundraise. Please note however, that you are always welcome in the classroom.

Requests for volunteers will occur for field trips but will only be filled on a want to basis.

Some goals we plan to achieve with your child through Play and Exploration programming are:

- : Identification of the Alphabet
- : Identification of Numbers (1-10)
- : Identification of Individual Names
- : Basic Shapes
- : Colors
- : Development of Fine Motor Skills
- : Introduce Children to New and Exciting Experiences
- : Development of Good Listening & Observation Skills.

2:30-3:10	"
11.20-11.30	Clean Up
3:10-3:20	"
11.30 /3:20	Dismissal

Free Play

Free Play is a very important part of your child's daily routine. This is the time when children choose their own activities and interact with their class mates. A lot of social development occurs as children discover the ins-and-outs of sharing, who has the same interests as them, and how to verbalize their wants in a manner that is most effective in getting those needs met.

Circle Time

Circle Time is when the children will learn good listening and observation skills. Also they will learn about respect for those talking, turn taking and patience. During circle time children will sing songs & dance, be introduced to our learning goals and about the various themes we will study. Little People's Preschool will try to provide children with as many different opportunities as possible to learn educational concepts. We hope to explore math, language arts, fine arts (drama, drawing, painting), science, physical education, and health and wellbeing to mention a few.

Centre Time

Centre Time is designed to give more time for individual attention. Children will break into smaller groups, each group being assigned a different assortment of skill building activities that they can manage independent of the teacher. At the same time one of these groups will work on various aspects of learning with the teacher. Each group will rotate among the activities until all have had time with the teacher.

St. Angela offers a Before School Program where your child can be dropped off before preschool starts and brought to classroom once class begins. Information available upon request.

Craft Time

If there is a smaller, theme related craft that children can manipulate by themselves it will be incorporated into their Centre Time activities, otherwise more time will be allotted for the project and other Centre Time activities will be forfeited for that day.

Show & Tell

Show & Tell is the perfect opportunity for students to take center stage. This is a special time for students that they enjoy very much. A child's self expression, as well as his or her social awareness are awakened during Show & Tell Time. Along with these aspects, Show & Tell offers the student audience the opportunity to formulate, who, what, where, when, why and how questions. Students will regularly be invited to bring something they wish to tell their classmates about.
